

I. Stud Policy Terms

At Kolossal Bullz we take pride in our work & craftsmanship. You can be certain that our studs are pampered and treated with the utmost care! The following items in this policy describe breeding documentation and terms of payment necessary to complete a transaction. By signing this document, you are agreeing to comply with and be bound by the terms of this Kolossal Bullz breeding and stud policy.

II. Breeding Considerations and Documentation

If the Dam you are breeding does NOT take, we will need confirmation from a veterinarian that the Dam did NOT conceive. Submit all documents to kolossalbullz@gmail.com. When your submitted documentation has been received and verified, Kolossal Bullz will sponsor a second breeding, free of charge. We will contact you once your documents have been verified. Proof, including veterinarian certification for the Sire, will be provided to show that the stud is able to produce. Kolossal Bullz will only sponsor two breedings. If your Dam still isn't successful after the second breeding we cannot be held liable or responsible for another breeding.

III. Terms of Payment

Before orders are shipped your order MUST be paid in full. No exceptions. Kolossal Bullz will determine acceptable methods of payment.

IV. Shipping

Next day air shipping cost is included in the stud pricing. The semen is cold-packed and shipped only within the contiguous United States. Please be aware that overnight shipping will incur additional cost. Tracking numbers will be made available for all orders shipped with Kolossal Bullz.

I have read the terms of this Agreement and accept all terms and conditions outlined regarding studding, terms of payment and shipping.
